### Vance County Roadways Closed North of Henderson

**HENDERSON** – Sections of roadway north of Henderson in Vance County are closed to traffic in both directions due to high water obstructing the roadway.

The closures include: Nutbush Road near N.C. 39, Anderson Creek Road near Satterwhite Point Road, and Jacksontown Road near Farmwood Lane Road.

After the high waters have receded, engineers will inspect the roads to ensure they are safe before opening them to traffic.
